

Tree survey data from 30 th August 2017 (done by Bartlett's) - updated July 10th 2026 - tagging complete												
			2-letter location is x-axis / y-axis on original main tree map.									
			Key: Red = removed	Blue = tag changed. Old number gone.	New tag # blue ; old # in magenta	Green = missing tag	Dark green = new tag required	Black = existing tree and number
